Dear Mr. Markowitz:

We have selected your retirement plan for an examination for the plan years listed above, and arranged the date and time of the appointment, also listed above. We are not implying that you incorrectly prepared the information on your Form 5500, Annual Return/Report of Employee Benefit Plan. **CONTROLLED GROUP AND AFFILIATED SERVICE
GROUP CERTIFICATION STATEMENT**

Please complete and return this document prior to our initial appointment. If there are no other entities under common control, please state "none" and return with the appropriate signature. Thank you.

Internal Revenue Code (IRC) sections 414(b), 414(c) and 414(m) require, in effect, that all "related" entities be treated as a single employer for plan testing purposes. These regulations were adopted to help ensure that all employees of related companies are treated fairly under the plan so that it may retain its tax-qualified status by passing non-discrimination tests.

Your company may be part of a Controlled Group if it is part of a parent-subsidary situation where the parent owns 80% or more of the voting stock or value of stock of one or more entities or if it is part of a brother-sister group where two or more entities are owned by the same five or fewer individuals and the same five or fewer individuals own at least 80% of the voting stock or value of stock in the entities, and common ownership equals more than 50%.

Your company may be part of an Affiliated Service Group if it is part of a group of two or more organizations, primarily professional service organizations that operate in the health, law, engineering, architecture, accounting, actuarial science, performing arts, consulting or insurance fields, or if it is part of a group of organizations for which capital is not a material income producing factor.

This is a very broad overview of the definitions of Controlled Groups and Affiliated Service Groups. These definitions and related portions of the IRC are quite complex. Your company's specific situation should be reviewed carefully by your tax or plan attorney to determine if you have related companies that qualify as members of a Controlled Group or Affiliated Service Group (or are under "common control"), especially if officers or key employees in your company (or their family members) own or maintain stock in other companies, or if your company is related to any others in any capacity.

Because this issue is so important to ensure the qualified status of your plan, I ask that you attach a listing of ALL employers that qualify as part of a Controlled Group or Affiliated Service Group, provide the EIN, indicate whether or not they are "participating employers" in the plan and indicate how many employees are employed by the entity. After completing the attachment please sign at the bottom of this page where indicated. Again, if there are no other related entities, please indicate "none" below and sign and date as indicated.

The undersigned understands that this certification has important legal ramifications for the qualification of the plan. LEASED EMPLOYEE CERTIFICATION STATEMENT

Please complete and return this document prior to our initial appointment. If there are no leased employees, within the meaning of Internal Revenue Code (IRC) section 414(n), please state "none" and return with the appropriate signature. Thank you.

IRC section 414(n)(1) indicates that a leased employee is an individual who performs services for another person (the recipient) under an arrangement between the recipient and a third person (the leasing organization) who is otherwise treated as the individual's employer. The leased employee is treated as the recipient's employee if the following three requirements are met:

1. The services of the individual are provided pursuant to one or more agreements between the recipient and the leasing organization;
2. The individual has performed services for the recipient on a substantially full-time basis for a period of at least one (1) year; and
3. The individual's services are performed under the primary direction or control of the recipient.

Subject to certain exceptions, IRC section 414(n)(1)(A) indicates leased employees are treated as employees of the recipient for purposes of plan qualification requirements. This IRC section and related regulations were adopted to help ensure that all employees of companies are treated fairly under the plan so that it may retain its tax-qualified status by passing non-discrimination tests.

This is a very broad overview of the definition of Leased Employee. This definition and related portions of the IRC are quite complex. Your company's specific situation should be reviewed carefully by your tax or plan attorney to determine if you have leased employees who are required to be treated as your employees for plan qualification purposes.

Because this issue is so important to ensure the qualified status of your plan, I ask that you attach a listing of ALL leased employees that qualify as leased employees under the IRC. Please indicate the names of the individuals, a copy of the leasing agreement (if applicable) and indicate if they have met the requirements of items 1, 2 and 3 above. After completing the attachment please sign at the bottom of this page where indicated. Again, if there are no leased employees within the meaning of the IRC, please indicate "none" below and sign and date as indicated.

Name of Plan Sponsor: _____ EIN: _____

Check as appropriate: See Attached Listing: _____ None _____

The undersigned understands that this certification has important legal ramifications for the qualification of the plan. The sponsoring employer certifies that the attached listing of leased employees is accurate and all applicable provisions of IRC section 414(n) are being complied with.

RJM Capital LLC Pension Plan
Submission 5/8/18

RJM CAPITAL LLC PENSION PLAN

RESPONSE TO EXAMINATION REQUEST DATED 03/21/2018

Request #A1

The plan and trust documents in effect for the year under examination, and all amendments made since the most recent favorable determination letter was issued.

Response

Please see the documents in folder A1 in the accompanying electronic media, which include the 2016 restatement of the plan, two subsequent amendments, and the plan's trust document, dated February 1, 2013.

The plan as originally adopted in 2013 was named The RJM Capital Pension Plan (the "Plan") and its books and records are kept under that name. In 2016, the Plan was restated on a document that inadvertently titled the Plan "The RJM Capital LLC Solo 401k Plan". Two amendments made in 2017 also misidentified the Plan as The RJM Capital LLC Solo 401(k) Plan. The Plan's trust is named RJM Capital Pension Plan Trust.

Request #A2

The most recent IRS determination letter that applies to the year(s) under examination, the related Forms 5300 and 5309 and any special demonstrations submitted with your determination letter applications. If the plan has no IRS determination letter, provide the plan document for the year under exam and all prior and subsequent documents and amendments to ensure the plan is qualified in form.

Response

The Plan does not have a determination letter but relies on the Broad Financial LLC volume submitter opinion letter, included in the response to Request #A3 below. As to the remaining requests, please see the documents in folder A2 in the accompanying electronic media, which include the original Plan document adopted in 2013 and amendments that preceded the 2016 restatement that is described in response to Request #A1.

Request #A3

If you are using a prototype plan, a copy of the IRS opinion letter issued to the sponsor of the prototype plan, the plan document and adoption agreement.

Response

Please see the documents in folder A3 in the accompanying electronic media.

Request #A4

Form 5500, Annual Return/Report of Employee Benefit Plan, for each year under examination, the preceding year and succeeding year. Please be sure to include all schedules filed, including Schedule E, ESOP Annual Information.

Response

Please see the 2016 and 2015 Forms 5500-EZ in folder A4 in the accompanying electronic media. The Plan has not yet filed Form 5500-EZ for 2017.

In preparing the response for this request, Richard Markowitz (the sole member of RJM Capital LLC) discovered two errors in the 2015 Form 5500-EZ. First, the form incorrectly reported a contribution to the Plan of \$1,000, where no contribution had been made (Mr. Markowitz had made a contribution in that amount to a different plan during 2015). Second, the reported figure for end-of-year assets was incorrect. The reported figure reflected an incorrect application of the valuation methodology described in the response to Request #F1, below.

Redacted - Relevance

Redacted - Relevance

The Plan is amending its 2015 Form 5500-EZ to correct those errors. An amended form, which will be filed shortly, is included in folder A4. The end-of-year assets reported on the amended 2015 Form 5500-EZ now match the beginning-of-year assets reported on the 2016 Form 5500-EZ, as filed.

Request #A5

Forms 5500, Annual Return/Report of Employee Benefit Plan, for other qualified retirement plans the employer sponsored during year under examination.

Response

RJM Capital LLC (the "Employer") did not sponsor other qualified retirement plans during 2016.

Request #A6

The summary plan description (SPD), summaries of all material modifications (SMM), and summary annual reports (SAR).

Response

The Plan is maintained as a Keogh plan that is not subject to the reporting requirements of ERISA. Mr. Markowitz is the sole participant in the Plan, in his capacity as a self-employed individual treated as an employee under Code section 401(c)(1). The Plan did not have a SPD, SMM, or SAR for 2016.

Request #B1

The employer's payroll records that were used to decide employees' eligibility to take part in the plan for the year(s) under examination, such as time cards, personnel records, and employment contracts. Also include a copy of the Forms 940, Employer's Annual Federal Unemployment Tax Return; 941, Employer's Quarterly Federal Tax Return; W-2s, Wage and Tax Statement and related W-3.

Response

The Employer had no employees for 2016.

Request #B2

Participant allocation schedules, employee census reports and participant account statements.

Response

The Employer had no employees and the Plan had no contributions in 2016.

Request #B3

A list of all plan participants for the end of the plan year(s) under examination, as well as a list of all employees employed during the year who are not participating in plan and reason why they are not.

Response

Mr. Markowitz was the only Plan participant in 2016. An account was maintained for his benefit, but no contributions were made. There were no other employees of the Employer in 2016.

Request #B4

A demonstration showing how the plan satisfied minimum coverage requirements of IRC § 410(b).

Response

The Plan automatically passed coverage requirements as all employees (including Mr. Markowitz, as a self-employed individual treated as an employee under Code section 401(c)(1)) were eligible.

Request #C1

Please provide a list of the plan participants who were active participants (received an allocation) in the prior year but were not active in the year under examination.

Response

There were no such participants with respect to the Plan.

Request #C2

For benefits that were paid to plan participants:

- a) Please provide a list of these participants, their dates of hire, dates of birth and dates of termination,*
- b) proof of payment and/or proof of rollover,*
- c) spousal consent forms to waive the Qualified Joint & Survivor form of benefit if required,*
- d) any Qualified Domestic Relations Order (QDRO) requests received or QDRO distributions made for the plan year under examination.*

Response

The Plan did not pay benefits for 2016.

Request #C3

The trust's or employer's Form 1099R's, "Distributions from Pensions, Annuities, Retirement or Profit-Sharing Plans, IRA's, Insurance Contracts, etc."

Response

No Forms 1099-R were filed with respect to the Plan for 2016.

Request #D1

Form 1120/1120S/1040/1065 tax return of the plan sponsor for the year(s) under examination.

Response
